**CARMARTHEN TOWN COUNCIL SPORTS AWARDS 2019/20**

The Carmarthen Town Council Sports Awards took place on Friday 25<sup>th</sup> January 2020 at the Quins Clubhouse and the event was a huge success once again, attended by nearly a hundred people.

These annual awards are a celebration of the sporting achievements of local people of all ages, and this year many new sports were submitted as part of the nominating process. Nominations can be made by anyone, and this year very many nominations were received following a very successful response on social media.

The Mayor of Carmarthen Councillor Jeff Thomas said: 'I am delighted that we are able to honour the achievements of so many people from the sporting world again this year, and thanks must go to our two sponsors Mr Ifan 'JCB' Davies MBE and Mr Malcolm Morse for making this evening possible. The exceptionally high number and standard of nominations received are a fantastic reflection of the sporting excellence of our local people and our congratulations go to all those nominated, and of course the winners that have attended here this evening.

The winner of the 'Coach of the Year' category Louise Beard – who has been coaching at Carmarthen Judo Club for over twenty years – made a very impactful presentation to those present about her passion for judo and the work that she has been doing with children and adults in the Carmarthen area for many years.

The event was compered by Marc Griffiths.

The full list of winners in each category is below.
