

## TRAINING PLAN 2022-23

The Town Council adopted a Training and Development Policy in September 2021, and it now has a statutory duty under Section 67 of the Local Government and Elections (Wales) Act 2021 to make a plan setting out what it proposes to do every year to address the training needs of councillors and staff.

The purpose of the training plan is designed to ensure that collectively, councillors and staff possess the knowledge and awareness needed for the council to operate effectively. It is not necessary for all councillors and staff to have received the same training and develop the same expertise.

There are core areas to address to ensure the council has sufficient skills and understanding. These are:

- Basic induction for councillors;
- The Code of Conduct for members of local authorities in Wales;
- Financial management and governance.

All councillors will be offered the opportunity to attend relevant training and development opportunities. One Voice Wales provides a monthly itinerary of its courses, and these are circulated to all members accordingly. All councillors are issued with the most recent version of 'The Good Councillor's Guide' published by Welsh Government and should familiarise themselves with its content.

All councillors must undertake Code of Conduct Training at least once during the lifetime of a council (i.e. 5 years from election to election). These courses are provided by One Voice Wales and Carmarthenshire County Council respectively.

In determining councillors' immediate training priorities an initial training assessment has been made of the essential skills needed and whether the council feels there is sufficient knowledge and experience across the council for it to operate effectively going forward from May 2022. With regard to council staff, annual performance appraisals identify individual training opportunities on an on-going basis, and certain health and safety training is mandatory and has to be undertaken at specified times.

In terms of the council's immediate training plans these are set out as follows:
