

Day of Action on Dog Fouling Wednesday, April 25, 2018

Please take part in our Day of Action on Wednesday, April 25, when we'll be encouraging everyone to help us tackle dog fouling issues.

Carmarthenshire County Council and Carmarthen Town Council officers will be working together with school groups, organisations and local businesses to let people know that we've had enough of dog fouling on Carmarthen's streets. We'll be out on patrol and speaking to as many people as we can, and will also run a social media campaign on the day to raise awareness and let people know of the online channels they can use to get information and report incidents.

How you can help

Please get involved! We hope to speak to many people on Wednesday, and you can play a part. Use the opportunity to talk with dog owners, report incidents to us online and help us raise awareness.

If you use social media, please take part in our Facebook and Twitter campaign - you could help us reach thousands of people! Post your message, pics or videos using the hashtag **#BagItBinIt** – we've included a few suggested posts for you below....

- *We've had enough of dog fouling on our streets. If you've got a dog, please #BagItBinIt and do your bit to keep #Carmarthen clean. Report dog mess to @CarmsCouncil online at: <http://www.carmarthenshire.gov.wales/home/council-services/recycling-bins-and-litter/litter/dog-fouling/#.Wthm-emQzIU>*
