Message from Chair Mansell Bennett

Hywel Dda Community Health Council (CHC) is your independent patient watchdog helping to make sure individuals and local communities have a voice in their NHS in Carmarthenshire, Ceredigion and Pembrokeshire.

Our Annual Report 2019/2020 and Covid-Nation Street report which looked at what the public told us about their experiences this year and what we have done so far, are available for you to read on our website : <https://hywelddachc.nhs.wales/>

Covid-19 has made 2020 a very challenging year in so many ways. It has impacted on NHS services for all. This is why we are **asking you** where and on what do you think we should be focusing **our work plan** for 2021 and why.

It is only by sharing your experiences and ideas with us that we will truly be able to understand your concerns and represent you to the best of our abilities.

Help us to help you by completing our online survey: https://forms.office.com/Pages/ResponsePage.aspx?id=uChWuyjjgkCoVkM8ntyPrsxEwXtF-8dEq_P7P71QiXIUNFFRWUNUM1hNM01XTFdRWkFMUKYyVExWRi4u **by January 15th 2021**. Alternatively, you can request a paper copy by e-mailing hyweldda@waleschc.org.uk or phone us on **01646 697 610**.

Our survey is anonymous and any information you share with us cannot be traced back to you. How we use the information you provide us is explained in our privacy policy.
