Happy New Year 2019!

Committee members are already busy preparing for their forthcoming new event to be held at St Peter's Civic Hall on Saturday 26th January starting at 7.30, to mark Santes Dwynwen day.

The event, which will be attended by the Mayor Cllr Emlyn Schiavone and his wife Tina, will include bilingual entertainment by the well-known singer Clive Edwards, as well as music to dance to, led by local DJ Matthew "Striker" Evans. There will be a buffet with hot and cold food served by a local caterer together with tea/coffee available. People can also bring their own drinks with them; glasses will be available.

A raffle draw will take place during the evening with romantically themed prizes to win.

Tickets for the event at £20 are available from any committee member, the chairman [ian.williams255@gmail.com](mailto:ian.williams255@gmail.com) and also from the Town Council, St Peter's Hall, Nott Square on 01267 235199.

Anyone wishing to sponsor towards the event and those who will have donated raffle prizes, will be acknowledged and listed in the souvenir brochure that evening.

Committee members are hoping to have collected all the ticket moneys in advance, by Tuesday 15th January for planning and catering purposes.

Do share the information on this special "Santes Dwynwen Night" event with your friends and colleagues quickly, as the deadline date for tickets to be purchased is soon.
