**DATGANIAD I'R WASG - PRESS RELEASE**

This weekend has been an exceptionally exciting and busy weekend with the annual Christmas lights 'Switch On' and Reindeer Parade at Carmarthen.

The Clerk of Carmarthen Town Council Alun Harries said: 'There were thousands of people in the town on Friday evening and on Saturday and the place was bouncing; the Town Council is very proud of its annual Christmas events and this year it felt as if there were more people than ever in the town. I spoke to very many people who had travelled a long way into Carmarthen for this weekend's events and there is no doubt that Carmarthen is developing a great reputation across West Wales for its Christmas lights switch on and associated events'.

'Obviously this year for the very first time Carmarthen has the added bonus of its own Winter Wonderland at Carmarthen Park and the organisers have worked extremely hard to provide an amazing facility. This should help bring many visitors to the town and provide a real boost to the local economy'.

Carmarthen Town Council put on these events every year and I must pay tribute to the wonderful efforts of the small team of Town Council staff who work hard to make sure that these Christmas celebrations are the best they can possibly be. It takes six weeks to prepare all the lighting and put them up and it's great when it all comes together like this'.
