

CARMARTHEN TOWN COUNCIL

ANNUAL AWARDS EVENING

Carmarthen Town Council recently held its annual presentation evening at St Peter's Civic Hall.

In addition to the annual Pride of Place Awards this year saw the introduction of several competitions run by the Town Council directly linked to the Tour of Great Britain Cycle Race that travelled through the town on Sunday 2nd September, and saw thousands of people congregate in the streets of Carmarthen and at Carmarthen Park in Morfa Lane.

The Mayor of Carmarthen Councillor Emlyn Schiavone said 'The Town Council is very proud of this awards evening as it gives us a chance to publicly recognise and reward some of the excellent work that is done by the people of the town in a number of different ways'.

'Many people put in a fantastic effort with their gardens and floral displays and the great summer that we had this year allowed people to use their gardening skills to maximum effect'.

'In addition to making the town prettier it also greatly improves the feel of the town and helps towards everybody's sense of well-being. My thanks goes to everybody who contributes to the town in this way, including residents, businesses and Town Council staff who are responsible for the hanging baskets and some of the key floral displays in the town centre'.

'This year the Tour of Britain made its way through the town and we will all remember the huge crowds that came out to watch some of the best riders in the world, including the winner of the Tour de France our very own Geraint Thomas, cycling through Carmarthen. That provided a huge boost to the local economy and again very many local people and businesses played their part in welcoming the event to Carmarthen for the first time'.

'The Town Council ran several competitions which added to the fun and sense of occasion and my thanks go to all who entered those competitions and congratulations to all the winners'.
