

PRESS RELEASE – DATGANIAD I'R WASG
DAMAGE AT PENLLWYN PARK CHILDREN'S PLAY AREA

The children's play area at Penllwyn Park has had to be closed as a result of damage caused to play equipment over the Easter weekend.

The Clerk of Carmarthen Town Council Alun Harries said: 'Unfortunately someone has carried a heavy rock into the play area and used it to deliberately smash through the slide, destroying it. We've had to close the entire play area until we get a replacement slide'.

'We have not had any problems in this particular area since the equipment was put there nearly five years ago and it is extremely frustrating for the local community that whoever has done this has effectively closed the park down whilst this nice weather is with us and people are therefore unable to use the area for their enjoyment'.

These matters have been reported to the local police and anyone with information is asked to contact Carmarthen Police on 101.
