GRANTS FOR ENVIRONMENTAL AND SUSTAINABLE ENERGY PROJECTS 2019

Carmarthen Town Council receives a small amount of money - community benefit payments - in respect of electricity generated at Red Court Solar Park in Llysonnen Road, Carmarthen. The Town Council uses this money towards the promotion of environmental and sustainable energy projects within the Carmarthen Town area.

Applications are therefore invited from local non-profit making organisations and other organisations interested in obtaining a share of this community benefit payment via the allocation of small grants up to a maximum of £500.00
