Small Business Saturday 1 December

This year Small Business Saturday is once again highlighting 100 small businesses, one a day for the 100 days leading up to Small Business Saturday 2018.

For the last 5 years, the 100 have not only received exposure on Small Business Saturday's social media channels and in the local and national press, but also joined the Small Business Saturday team in London at receptions in both Downing Street and The Treasury Drum with the Chancellor of the Exchequer.
